James 5:13-20

Prayer – What is it?

It's what _____ do! It's what the _____ does!

Yet, so many struggle with prayer.

When should we pray?

When we are in _____. When we are _____.

When we _____ like it. When we _____ like it.

Pray in the Spirit on all occasions with all kinds of prayers and requests.
Ephesians 6:18a

For whom should we pray?

For _____.

For _____, including the sick, the sinner, and the one who has wandered from the truth.

With whom should we pray?

We should pray _____.

We should pray with other Christians as we...

..._____ our sins to each other, and

...pray for _____.

The prayer of a righteous man is powerful and effective. James 5:16b

Don't leave prayer only to "the _____".
