

How we should act in the meantime:

Matthew 25:14-30

What kind of a return are you getting on your life?

Hoping to avoid doing anything wrong ...

1. Life (and everything else that we have) is not about keeping but ...

*Well done, good and faithful servant!*

2. Life (and everything else that we have) is not about fear but ...

*Come and share your master's happiness!"*

Would our lives change if we changed "Christian" into a verb?
